- 3) Brigadier Campbell, Chief Military Advisor, Staff Force, had a talk with me on the subject of Mysore Troops on the 14th instant:

He said that he would not recommend Col. Koch being kept on beyond his present term. Brigadier C. was a friend of Col Koch, but he felt that the interests of the Regt. require a change. He strongly recommends Colonel Lucas who is at present employed in Bishopal. The Brigadier considered him to be the most suitable man for Mysore. He said he would write to that effect. He did not think much of Col Hamilton, who is also an ^{applicant for the place}. He has a high opinion of Col Krishna Rao as a ^{C.O. of the Regt} Soldier, but he does not think he would do ^{well} at all for the C.C.'s post.

- 4) Major Rana should not, in his opinion, be kept on any longer. The Ishag would make a good C.O. of the Regiment, he thought, & might be given a chance. The Brigadier said it was a great pity that the Lancers were not as well equipped as they should be & that the Regiment was bound to deteriorate if more money was not spent upon it & necessary further delay occurred in supplying ^{it with} necessary equipment. ~~that~~, especially the horses.

Lucas in his place as Chief Commandant. Col. Lucas now writes to say that he has to stay on in Bhopal till the middle of May and would like to go to England for five months before joining the new appointment, and that it would be convenient if he can be allowed to join here on the 1st November 1935 though he is prepared to join in September if necessary. This is on a graded scale

If such a contribution ~~or~~ or passage charges have however to be paid, the salary offered has to be correspondingly reduced or some other officer selected. Col duca has a great + those terms — if a little more of it ^{now} ~~is~~ any alteration in them, we may simply tell him that we do not agree & we offer to appoint ^{him} ~~we~~ have the main: no passage, no passage contribution — at all. My dear Mr. May

Very many thanks for your letter.

I am sorry Mr. Cummings has not been
able to come - & do the work ~~was~~

we wanted done as early as possible.

You are right we must wait & then

things are difficult - problems and

2.

~~be sure~~ ~~is~~ ~~very~~ great things. However

if you wish tell me I'll try & take

the matter up again on my return

"
"Shallot."

I am having trouble today & other

things & wait a few days or a

few more - perhaps by the time

return on the 20th of August.

There is a small matter in

regard to which I am writing

possible to help me. The term of
 Colonel Lucas, who is with my
 wife at present, expires in
 March and I am not asking
 for another extension on account
 of financial stringency. Col Lucas
 would like to stay on in India & he
 tells me that the Govt of India
 European Ambassadors there.

P.S. We might discuss this matter when we meet soon then.

Father's vacant in October 1935.
 He wants you kindly to consider
 his case. He is a very efficient
 officer full of energy & thoughts
 about it. I have known him ever
 since we were together & a Readings
 staff. I am sure he will do
 you very well & if you can take
 him on I shall be grateful. I
 with kind regards. Yours very truly

Your Highness,

I am greatly obliged for Your Highness's letter of the 4th August.

I hope that Your Highness's health is quite satisfactory now.

As regards Colonel Lucas, I shall not fail to put his name up for His Highness's consideration when the question of appointing a successor to the present incumbent, Colonel Loch, is taken up. Colonel Loch's term does not expire till September next.

Colonel Lucas ought to do us well, especially if he, as I imagine, is a Cavalry officer. Perhaps, Mr. Qureshi will let me know.

With respectful regards,

I remain,

Your Highness's sincerely,

My dear Sir,

Many thanks for your kind letter of the 9th November which came into my hands on my return from Delhi.

Mr. Rashid Siddiqi has come back full of gratitude for the kind help and assistance which he received from every officer he came in contact with during his stay in Mysore and feels particularly grateful to you for the kindness you were good enough to show to him. I am glad to learn that he has done his work so well and am most thankful to you for all that you so very kindly did to arrange for his study of the subject of floating loans.

As your letter came I was already thinking of writing to you about Colonel Lucas once again and to enquire if you could very kindly let me know for my private information what prospects there were of his employment in Mysore and in case he was taken in service what were likely to be the terms and conditions of his service. I shall feel grateful if you will kindly drop me a line in reply as soon as you can conveniently do so.

I hope Lady Ismail and you are quite well.

With all good wishes

*Yours truly,
Sami*

My dear Sir Muzza. In 1940 I had a talk with the M.A. in
26/11/34 Brigadier Campbell, before leaving
Bangalore. I understood that H.H. the
Maharajah of Mysore has written to you
about Lt. Col. Lucas, who has been with
him 4 years, and also that very naturally
the State would like to do another good
turn. In which case my chances of
following Colonel Loch do not appear very
rosy.

On the other hand it may be considered
that it would be to the advantage of
your State Forces to have someone who
was already worked with them, is
"used to" with the general situation
and is straight from
working alongside & in with Regular Troop
Such as myself

The choice rests with the State, as the MA in C
(whoever he may be) when the matter comes up
to him through the usual official channels
usually recommends whoever is asked for
unless he considers him unsuitable on
account of inefficiency or any other reason.
My record of service is entirely at your
disposal should you wish to consult it.
My normal tenure of my present appointment
is up on April 31st 1936. Colonel Lock is
due to go in Sept. 1935 but I have reason
to believe that he would not require great
persuasion to stay on till March 1936.
However, if, having considered the matter, you
think my chances of getting the
appointment 'NH' I would be very grateful
if you would let me know definitely
as early as you conveniently can so
that I can look out for another
appointment. Many thanks for your
courtesy & friendliness during my stay.
With kindest regards Yours, H. H. Hankin.

In train en route to Travancore State,

The 23rd November 1934.

Personal.

Dear Sir Mirza Ismail

I am writing to thank you very cordially for the kindness and hospitality that was shown to me during my visit to Bangalore and Mysore which I enjoyed very much indeed-

It was delightful in Mysore and I can assure you I was very well looked after-

Would you be so good as to convey to His Highness the Maharaja my grateful appreciation and thanks for all that was done for me-

I am sending you a separate communication regarding my ideas on the subject of a suitable successor to Colonel Dutt-

May I thank you for the box of silk handkerchiefs which was given to me and which I am so glad to have. They will be a delightful memento of my visit to Mysore and I much appreciated the kind thought that prompted you to give them to me-

With kindest regards-

Yrs. sincerely
Harold Campbell.

23rd November 1934.

Your Highness,

In reply to Your Highness's enquiry with reference to the possible appointment of Colonel Lucas as Chief Commandant of the Mysore Troops, I write to say that he would be offered, in the event of its being decided to offer the appointment to him, the same salary as the present Chief Commandant is getting, namely, Rs.1,500/- minus a salary cut of 10 per cent. The period would be three years.

I may inform Your Highness that Brigadier Campbell who was here on a visit a few days ago spoke very highly of Colonel Lucas and strongly recommended him for the appointment.

With respects
Your Highness's sincerely,

Your Highness,

I have just received your Highness's letter with regard to Colonel Lucas. I was waiting to hear from Your Highness or Colonel Lucas himself. Now that I have heard from Your Highness I shall lose no time in obtaining His Highness's instructions and communicating with Colonel Lucas. I hope to be able to do this in a few days.

Your Highness asks me what I think of the J.P.C Report. So far as the States are concerned, I feel they have tried to meet their wishes as far as possible. We are, however, disappointed that they have not recommended the total remission of tributes before the inauguration of the Federation, as suggested by the Secretary of State himself in the J.P. Committee. I shall send Your Highness later on a more detailed criticism of the Report.

With my best regards and respects, and with all possible good wishes to Your Highness.

My dear Colonel,

Thank you very much for your letter of the 20th.

Brigadier Campbell had a long talk with me regarding our troops. Colonel Loch will, in all probability, retire at the end of his present term. I fear I see little chance of your succeeding him. I think it is as well to let you know this so that you can look out for another appointment. The Brigadier spoke very highly of Colonel Lucas. I am not certain, of course, if he will come here or not, but he seems to have the best chance.

With kindest regards, and best wishes for your success,

My dear Sir,

I am very grateful to you for your letter about Col. Lucas. I have shown it to him and he is now anxious to have a formal offer made to him. If you decide to take Colonel Lucas, I shall have to make my own arrangements also, and let him go on leave in May, so that he may on his return from leave, go straight to Mysore. All this would require many adjustments. I shall therefore be much obliged to you if you would kindly request His Highness the Maharaja Bahadur on my behalf to take his final decision in the matter at his early convenience. Once it is decided that you will give him the appointment in September next, other minor details can easily be settled by your coming into direct contact with Colonel Lucas.

Do please help me by coming to an early settlement in regard to this matter. I do not want this thing to remain in suspense much longer. I am sure you will appreciate, better than anyone else, my difficulties in this connection.

I hope you are very well.

With all good wishes

Yours very truly

With reference to your letter No. Pol.778/C.B.81-34-5, dated the 23rd January 1935, I am directed to say that the Government of India have accorded sanction to the appointment of Lieutenant Colonel H. de. N. Lucas, at present Chief of the Staff, Bhopal State Forces, as Chief Commandant, Mysore State Forces, on the terms proposed subject to the following remarks:-

(i) The regulation of Colonel Lucas' leave terms is under consideration and the views of the Government of India will be communicated shortly.

(ii) It is considered that the tenure of appointment should be subject to a period of notice on either side.

(iii) As Lieutenant Colonel Lucas will join his appointment under the Mysore Government direct from his appointment in Bhopal, there will be no break in the continuity of his employment; he will continue to be borne on the General Duty List and such service will count towards increment of his military pension. Pension contributions, the rates of which are laid down in Army Instructions (India), No.51 of 1933, should therefore be levied from the Mysore Government.

(iv) If the Mysore Government do not accept liability for passage contribution, they should be recovered from Lieutenant Colonel Lucas at the rate of Rs.50/- per mensem for so long as he is employed under the Mysore Government or up to the date of his retirement, whichever is earlier.
